

Protect Your Business Partnership

The DiPro Business Equity Protection Plan

What It Is

Specialty insurance coverage that helps protect businesses from partnership disruptions.

Key Features

- **3 Coverage Levels:**
\$50,000 / \$100,000 / | \$150,000
- **Employee Termination Expense Coverage**
- **Pays Quickly When Triggered** by a Covered Claim
- **No Medical Exams, Easy Underwriting**
- **Broad Industry Eligibility**

When Does Coverage Trigger?

When a management liability claim results in a covered event that renders a partner unable or unwilling to continue participating in the business.

When Does Coverage Trigger?

When a management liability claim results in a covered event that renders a partner unable or unwilling to continue participating in the business.

Why Businesses Need This Coverage

Avoid Costly Partnership Disputes

Disagreements can cripple a business.

Protect Business Continuity

Ensures funds are available to buy out a partner.

Minimize Financial Risk

Cover buy-outs & termination expenses as after a covered claim.

Written in Addition to a Management Liability Policy

Provides critical equity protection – no overlap.
